Dear RCS School Community,

I hope this letter finds you all healthy, happy and looking forward to the upcoming Holiday season. In an effort to keep our community safe, we all need to remember that our individual actions and behaviors during this time could potentially impact your family, our school and our community with respect to the spread of COVID-19.

A few things all of us must consider as we develop our individual plans for the coming weeks and months is travel outside of New York State and family gatherings. Governor Andrew M. Cuomo has announced new guidelines allowing travelers to New York to “test out” of the mandatory 14-day quarantine.

The travel guidelines require all New Yorkers, as well as those visiting from out-of-state, to take personal responsibility for compliance in the best interest of public health and safety.

For general inquiries call the Hotline: [1-888-364-3065](tel:1-888-364-3065) or [Ask a Question](#).

If you are traveling please take a moment to review the travel advisory.

The second consideration is what our individual holiday gatherings will consist of. The following information was posted on the [CDC website](#) and may be helpful in

keeping you and your family safe.

I hope you all have a wonderful and safe holiday season. Your continued cooperation and support as we continue to navigate this unprecedented situation is greatly appreciated.

Educationally yours,
