

Goal 4

The Roscoe Central School District will strive to enhance community involvement in school activities and increase school spirit

Objectives

Students and staff will develop pride in their district

Roscoe Central School will become a learning community in which membership is valued and citizenship is an honor

100% of students and staff will be exposed to opportunities that model leadership, creative problem solving and community involvement prior to the end of the 2010-2011 school year.

At least five new activity groups will be offered for student membership by the end of the 2010-2011 school year.

At least two staff clubs / activities will be offered for staff membership by the end of the 2010-2011 school year to enhance collegiality

Barriers

Removing the "it was always done that way" mentality to pave the way for innovative programs

Finding group leaders who have a passion for leading the staff and student groups

Transportation for after-school activities

Conflicts with other activities

Staff and student "buy-in"

Lack of commitment by all stake-holders

Critical Success Factors

Beginning the activity programs with a big kick-off for students at the beginning of the year with appropriate continuity of the programs that were started

Beginning the staff activities with a kick-off at the beginning of the year with appropriate continuity throughout the school especially at times of high-stress

Buy-in from all stake holders

Appropriate education for both staff and students regarding the disastrous consequences if this goal and its objectives are not met

Strategies

Reach out to staff to find what programs and activities they would like to lead

Reach out to students to gather interest levels in activities

Find a common activity time so that students with transportation issues will still be able to participate

Award ceremonies are a formal affair

Displaying and signing the school alma-mater at large scale school events
